2. Bag your donations, mark them 'for donation' and set at the curb by 10:00 am – keep separated from trash items.
3. Keep unopened cleaning supplies, toiletry items and non-perishable food separate.

Important! – The driver has final discretion on whether or not to accept the item(s) you have set out. Proper disposal of items not accepted for donation will be your responsibility.

WHY donate: Why not? Donating reusable items you no longer want or need is a great way to help others in our local community, and conserve landfill space and natural resources.
